How to Prep for a Wig

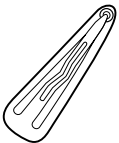

Phone: 707 763 1978 • FAX: 707 981 7844 • Email: information@wigboys.com

Women

1. Make 5 pin curls around face using small amounts of hair and bobbypins.
2. Divide the rest of hair into 2 halves and across to pins as flat as possible.
3. Leave out hair at nape to make 2 pin curls.
4. Cover entire head with stocking cap and pin with small hair pins.
5. Make sure own hair is visible around front.
6. Put on wig. Should just see own hair through lace front.
7. Pin wig on into pin curls with fine hair pins.

Men

1. Using heavy hair gel, comb hair smooth back from face.
2. Place "pop-clips"  around perimeter.
3. Dry completely.
4. Add wig cap and secure with 1¼" hair pins.
5. Using hair pins, secure wig to prep.
6. Glue lace if necessary, using good quality spirit gum.
